Dear Resident,

On behalf of the Freeholder Board and the County of Union, I am pleased to inform you of future road improvements coming to your neighborhood. ***Details of this project are noted on the reverse side of this letter.*** We apologize in advance for any inconvenience you might incur while our crews work to improve your roads.

These improvements will enhance the safety and convenience of travel throughout the County. Union County has received funding through the American Recovery and Reinvestment Act (*ARRA*), including \$4 million specifically for road improvements and safety upgrades. The stimulus money, coupled with New Jersey Department of Transportation funds, will provide for approximately 24 miles of road-way resurfacing and intersection safety improvements throughout the County.

We feel it is important that our residents are notified of work being done in their towns, as well as how they are being funded. If you would like further information about *ARRA* projects in your town, please visit [www.ucnj.org](http://www.ucnj.org) and look for the "Stimulus Map" link in the far left column.

As always, feel free to contact our offices with any questions or if you would like further information.

Sincerely,

Daniel P. Sullivan  
Freeholder Chairman
